7-A-Side Youth Soccer Program

SportAbility and Surrey Youth Soccer Association are hosting the 2014 7-A-Side Youth Summer Soccer Program for children with a physical disability. The rules of 7-A-Side soccer are the same as able-bodied soccer, with the exceptions that there are no off-sides and the fields are smaller. This is a great opportunity to learn soccer skills, have fun, meet other athletes, and develop new friendships.
