Family and friends are encouraged to attend competitions to show their support and are considered a vital part of the athlete's network.

However, family and friends are not official team members unless they have been selected for a team position.

Therefore, family members and friends attending competitions as spectators are responsible for making their own travel, meals and accommodation arrangements for said competitions and cannot stay in the team accommodations or in the room of a team member. Requests to contrary to share accommodation will be considered on a case by case basis by the Head Coach.

Family and friends attending as spectators will have access to the public spectator areas only. Therefore, athletes will need to come to the public spectator areas to connect with family and friends.

All athletes selected to represent the CPSABC are expected to travel to competitions together.
