PREAMBLE

The CPSABC understands that screening personnel and volunteers is a vital part of providing a safe sporting environment and has become a common practice among sport organizations that provide programs and services to the community.

APPLICATIONS OF THIS POLICY

1. This Policy applies to all individuals whose position with the CPSABC is one of trust or authority which may relate to, at a minimum, finances, supervision, or Vulnerable Individuals.
2. Not all individuals associated with the CPSABC will be required to obtain a criminal record check or submit screening documents because not all positions pose a risk of harm to the CPSABC or to its participants. The CPSABC will determine which individuals will be subject to screening using the following guidelines (the CPSABC may vary the guidelines at its discretion):

Level 1 – Low Risk – Individuals involved in low risk assignments who are not in a supervisory role, not directing others, not involved with finances, not in an one-on-one situation, and/or do not have unsupervised access to Vulnerable Individuals. Examples include:

- a) Parents, youth, or volunteers who are helping out on a non-regular or informal basis
- b) Committee Members

Level 2 – Medium Risk – Individuals involved in medium risk assignments who may be in a supervisory role, may direct others, may be involved with finances, and/or who may have limited access to Vulnerable Individuals. Examples include:

- a) Officials (referees, technical delegate)
- b) Host Committee Members
- c) Board of Directors

Level 3 – High Risk – Individuals involved in high risk assignments who occupy positions of trust and/or authority, have a supervisory role, direct others, are involved with finances, and who have frequent or unsupervised access to Vulnerable Individuals. Examples include:

- a) Coaches
- b) Integrated Support Team Members/Medical (physiotherapist, biomechanist, mental performance coach, physiologist, nutritionist)
- c) Classifiers
- d) Performance Partners/Sport Assistants
- e) Team Manager travelling with the athletes
- f) Employees of the CPSABC

SCREENING COMMITTEE

- The implementation of this Policy is the responsibility of the CPSABC Screening Committee which is a committee of either one (1) or three (3) members appointed by the CPSABC, currently identified as the Executive Director. The CPSABC will ensure that the members appointed to the Screening Committee possess the requisite skills, knowledge and abilities to accurately screen documents and render decisions under this Policy.
- The Screening Committee will carry out its duties, in accordance with the terms of this Policy, independent of the Board.
- The Screening Committee is responsible for reviewing all documents submitted and, based on the review, making decisions regarding the appropriateness of individuals filling positions within the CPSABC. In carrying out its duties, the Screening Committee should consult with independent experts including lawyers, police, risk management consultants, volunteer screening specialists, or any other person deemed to have the skills or knowledge relevant to the screening process.

SCREENING REQUIREMENTS

1. It is the CPSABC policy that when an individual is first engaged by the CPSABC:
 - a) Level 1 individuals will:

- d) If an individual subsequently receives a charge, conviction for, or is found guilty of, an offense they will report this circumstance immediately to the CPSABC. Additionally, the individual will inform the CPSABC of any changes in their circumstance that would alter their original responses in their Screening Disclosure Form.
- e) If the CPSABC learns that an individual has provided false, inaccurate, or misleading information, the individual will immediately be removed from their position and may be subject to further discipline in accordance with the CPSABC *Discipline and Complaints Policy*.

YOUNG PEOPLE

- The CPSABC defines a young person as someone who is younger than 18 years old. When screening young people, the CPSABC will:
 - Not require the young person to obtain a VSC or E-PIC
 - In lieu of obtaining a VSC or E-PIC, require the young person to submit up to two (2) additional letters of reference
- Notwithstanding the above, the CPSABC may ask a young person to obtain a VSC or E-PIC if the CPSABC suspects the young person has an adult conviction and therefore has a criminal record. In these circumstances, the CPSABC will be clear in its request that it is not asking for the young person's youth record. The CPSABC understands that it may not request to see a young person's youth record.

RENEWAL

- Unless the Screening Committee determines, on a case-by-case basis, to modify the submission requirements, individuals who are required to submit an E-PIC, Screening

Disclosure Form, VSC, or Screening Renewal Form, are required to submit the documents as follows:

- An E-PIC every three years
 - A Screening Disclosure Form every three years
 - A Screening Renewal Form (Appendix C) every year
 - A Vulnerable Sector Check once
- The Screening Committee may request that an individual provide any of the above documents at any time. Such request will be made in writing and reasons will be provided for the request.

ORIENTATION, TRAINING, AND MONITORING

- The type and amount of orientation, training, and monitoring will be based on the individual's level of risk, at the discretion of the CPSABC.
- Orientation may include, but is not limited to: introductory presentations, facility tours, equipment demonstrations, parent/athlete meetings, meetings with colleagues and supervisors, orientation manuals, orientation sessions, and increased supervision during initial tasks or initial period of engagement.
- Training may include, but is not limited to: certification courses, online learning, mentoring, workshop sessions, webinars, on-site demonstrations, and peer feedback.
- At the conclusion of orientation and training, the individual will be required to acknowledge, in written form, that they have received and completed the orientation and training.
- Monitoring may include but is not limited to: written or oral reports, observations, tracking, electronic surveillance (e.g., facility security cameras), and site visits.

HOW TO OBTAIN AN E-PIC OR VSC

- An E-PIC may be obtained online via JAG Criminal Record Check Review Program. Contact the CPSABC office to request the link.
- In BC, the process for obtaining a Criminal Record Check is different than in other provinces and territories and sections of this Policy relating to obtaining a Criminal Record Check may not apply. In such cases, the Screening Committee will provide individuals with directions pursuant to the following website:
<https://www.viasport.ca/resource/free-criminal-record-check-procedure>
- Individuals may only obtain a VSC by visiting an RCMP office or police station, submitting two pieces of government-issued identification (one of which must have a photo), and completing any required paperwork. Fees may also be required.

- Fingerprinting may be required if there is a positive match with the individual's gender and birth date.
- The CPSABC understands that it may be required to assist an individual with obtaining a VSC. The CPSABC may need to submit a Request for VSC (Appendix D) or complete other documentation describing the nature of the organization and the individual's role with vulnerable individuals.

PROCEDURE

- Screening documents must be submitted to the following individual:
 - Executive Director, CPSABC or designated alternate: info@CPSABC.ca;
- An individual who refuses or fails to provide the necessary screening documents will be ineligible to volunteer or apply for the position sought. The individual will be informed that their application and/or position will not proceed until such time as the screening documents are submitted.
- The CPSABC understands that there may be delays in receiving the results of an E-PIC or a VSC. At its discretion, the CPSABC may permit the individual, under supervision, to participate in the role during the delay. The CPSABC may withdraw this permission at any time and for any reason.
- The CPSABC recognizes that different information will be available depending on the type of screening document that the individual has submitted. For example, an E-PIC may show details of a specific offense, or not, and/or a VSC may be returned with specific information or simply a notification indicating "cleared" or "not cleared". The Screening Committee will use its expertise and discretion when making decisions based on the screening documents that have been submitted.
- Following the review of the screening documents, the Screening Committee will decide:
 - The individual has passed screening and may participate in the desired position
 - The individual has passed screening and may participate in the desired position with conditions
 - The individual has not passed screening and may not participate in the desired position
 - More information is required from the individual
- In making its decision, the Screening Committee will consider the type of offense, date of offense, and relevance of the offense to the position sought.
- The Screening Committee must decide that an individual has not passed screening if the screening documentation reveals any of the following:
 - If charged in the last three years for:
 - Any offense involving the use of a motor vehicle, including but not limited to impaired driving
 - Any offense for trafficking and/or possession of drugs and/or narcotics convicted

- Any offense involving conduct against public morals
- If charged in the last ten years for:
 - Any crime of violence including but not limited to, all forms of assault
 - Any offense involving a minor or minors or vulnerable person defined by law
- If charged at any time for:
 - An individual's conviction for any of the following Criminal Code offenses:
 - Any offense of physical or psychological violence
 - Any crime of violence including but not limited to, all forms of assault
 - Any offense involving trafficking of illegal drugs
 - Any offense involving the possession, distribution, or sale of any child-related pornography
 - Any sexual offense
 - Any offense involving theft or fraud

CONDITIONS AND MONITORING

- Excluding the incidents above which, if revealed, would cause the individual to not pass screening, the Screening Committee may determine that incidents revealed on an individual's screening documents may allow the individual to pass the screening process and participate in a desired position with conditions imposed. The Screening Committee may apply and remove conditions at its discretion and will determine the means by which adherence to conditions may be monitored.

RECORDS

- All records will be maintained in a confidential manner and will not be disclosed to others except as required by law, or for use in legal, quasi-legal, or disciplinary proceedings.
- The records kept by the CPSABC as part of the screening process include but are not limited to:
 - An individual's Vulnerable Sector Check
 - An individual's E-PIC (for a period of three years)
 - An individual's Screening Disclosure Form (for a period of three years)
 - An individual's Screening Renewal Form (for a period of one year)
 - Records of any conditions attached to an individual's registration by the Screening Committee
 - Records of any discipline applied to any individual by the CPSABC or by another sport organization
