Dear SportAbility members,

I am writing to you on behalf of the Board of Directors to inform you that Ross MacDonald has notified the board that after 9 years as Executive Director of the organization, he is resigning from his position. Ross feels that it is time for him to pursue other opportunities and although the Association and Board will miss his valued leadership, we have accepted his resignation and wish him all the best in his future endeavors.

Ross has played a vital role in SportAbility for almost 20 years. The first 10 years, he worked as the Sport Development Coordinator as well as participated as an athlete in CP soccer. Ross became Executive Director in 2014. Over the last 9 years he has lead this organization in providing opportunities for people with physical disabilities to participate and to excel in the sports of Power soccer, Para Hockey and Boccia. This last year Ross has also worked hard to re-establish opportunities for CP soccer in the province. Ross's passion for sport, care for individuals and calm demeanor has been evident throughout his tenure. I personally have been impressed with his work ethic as well as his ability to work with athletes, volunteers, and board members with care and respect.

We anticipate that Ross will help the board with the process to recruit a new Executive Director and will help foster a smooth transition. Please join the board in thanking Ross for all his hard work and dedication to SportAbility and in wishing him continued success in the future.

Sincerely,

Judi Cameron
